

Curriculum Leadership Institute

Mission Statement

CLI MISSION

The Curriculum Leadership Institute's mission is to advocate a school improvement model founded on principles associated with the professionalism and dynamic leadership of ALL district educators. Our mission emphasizes academically based, district-level decision making and action taking to align and manage curriculum, instruction, and assessment. Additionally, the CLI's mission is to help districts create and maintain a governance framework designed to systemically focus organizational energy on setting and authentically meeting locally determined goals for student learning.
